

THE BOOKMARK INDEX TO VOLUME 41 SEPTEMBER 1999 - JUNE 2000

by **LIZ AUSTROM**, retired teacher-librarian, SD # 39 (Vancouver), **JIM HOLGATE**, teacher-librarian, A. H. P. Matthew Elementary School, SD # 36 (Surrey) and **BARBARA SMITH**, retired teacher-librarian, SD # 44 (North Vancouver).

The British Columbia Teacher-Librarians' Association (BCTLA) publishes *The Bookmark* in September, December, March and June of each school year.

Annual reports of the officers of the BCTLA are located through the "annual reports" subject heading. Reports on conferences, workshops and seminars are found together under "conferences."

Articles and units that include substantive bibliographies include the word "Bibliography" in the citation. Articles which are primarily bibliographies are listed in the subject index under "Bibliography." Articles and units that include substantive Internet listings include the word "Websites" or are listed in the subject index under "Information sources."

Cooperative units include or imply a role for the teacher-librarian in planning and teaching. These units have the potential to be modified to fit the model of planning and teaching suggested in Part I of *Fuel for change*. Units are listed under the "best guess" of the indexers. They are often adaptable to other courses, levels and programs.

The *Canadian Education Index* regularly scans and indexes *The Bookmark*.
