Ed May Social Responsibility Education Fund

About the fund

The BCTF Ed May Social Responsibility Education Fund was established at the BCTF AGM in 1994 to support teachers in promoting socially responsible teaching practices in the province. The funds are administered by the Professional and Social Issues Division (PSID) and are allocated by grant proposals, to a maximum of \$2,000 each.

Who was Ed May?

Ed May was the epitome of the professional teacher. For him, social responsibility was a way of life. Born and educated in South Africa, May gained most of his Canadian classroom experience in Coquitlam. His four years (1981–85) as co-ordinator of the BCTF's program against racism gave him the opportunity to pursue his battle against discrimination and injustice in a wider arena. This fund is a practical memorial to the ideals of Ed May.

Criteria

The following criteria will be used to determine allocation from the fund:

- Teacher initiatives for educational change in areas of social responsibility teaching, such as antiracist and multicultural education, gender equity, LGBTQ2S+ support, environmental education, human rights, Aboriginal education, peace and global education, poverty issues, and violence prevention. The proposed project may be classroom-based or school-based, or it may involve the school and community.
- Proposals may be based on new initiatives or projects that are currently underway.
- Proposals that are innovative in nature will be considered prior to repeat proposals from individual schools or districts.
- Grants may be used for the following but are not limited to these purposes—release time, materials, publicity, communications, and coalition building.
- Grants are not provided for overseas projects or school supplies, hardware, or materials that are the responsibility of the school district or Ministry of Education.

Consideration of geographical/topical balance will be given to all proposals. Priority will be given to:

- new proposals.
- projects of a highly innovative nature
- projects that actively involve students, are collaborative, and have a major impact on the learners
- proposals which address all quadrants of the Social Justice Lens
(see bctf.ca/uploadedFiles/Public/SocialJustice/Publications/SJLens.pdf).

Process

Applicants must submit the BCTF Ed May Social Responsibility Fund application form for approval of the grant before undertaking the project. All grant applications must be received by 5:00 p.m. on Wednesday, November 21, 2018. Applications will be reviewed by BCTF staff working in the BCTF Social Justice Program. Final approval for successful projects will be made by the BCTF Executive Committee. If there are any remaining grant funds available after the initial funds have been allocated, applications that meet the grant criteria and are submitted by Thursday, April 11, 2019 will be considered for funding on a first-come, first-served basis. All applicants will be informed of the decision in writing. Successful applicants will receive 50% of approved funds in advance to get their project started. Funds will be sent to the local president for distribution to the grant recipient. The other 50% of the funds will be paid to the local once the project has been fully completed and an Ed May Social Responsibility Fund report form has been submitted to the BCTF, no later than December 1, 2019. Locals must keep a copy of all receipts on file. T4 forms must be issued for honoraria over \$500.

Application guidelines

The application form must be fully completed, and include:

- a description of the project, with all fields completed
- a detailed budget, including a list of other sources of funding applied for and/or received
- signatures of the BCTF member (the applicant), and the local president.

For more details on the above, please refer to the Ed May Social Responsibility Fund Rubric at the end of the application form.

Final report

A completed copy of the Ed May Social Responsibility Fund report form on successful Ed May projects from the 2018–19 school year must be received by December 1, 2019. No late reports will be considered. The report must be submitted before funding for new projects will be approved. Unclaimed funds are automatically rolled into next year's balance of the Ed May Social Responsibility Education Fund. Please use the Ed May Final Report Form posted on the BCTF Grants and Funds web page (bctf.ca/SocialJusticeGrants.aspx).

Following completion of the project, please write a short article to be published in the *Social Justice Newsletter*. Photographs are always welcome. Please note that in order for photographs of students to be published, the school should have written parental permission.

Because the BCTF has an affirmative action policy, an applicant may wish to provide, on a voluntary basis, information as to whether they self-identify as a member of an equity-seeking group, which includes female, trans* (trans, transgender, transsexual, genderqueer, two-spirit, transwoman, transman), visible minority, or racialized person, Aboriginal (Indigenous) person, person with a disability, or lesbian, gay, or bisexual person. In selecting recipients of BCTF grants, the Executive Committee will take into account the importance of representation from members in their first five years of teaching, the importance of representation from all areas of the province, the need for diversity and to ensure that members from equity-seeking or minority groups are represented among grant recipients, and the importance of achieving a balance of female and male representatives of the general membership.
